Course Description: Math 180 is a structured class designed to build skills and gain confidence in math.

Learning Standards (Critical Content Power Standards)

At the end of the course, students will be able to:

- Be proactive about their education
- Build math skills to prepare for high school algebra skills

Materials:

Software: Math 180 software and Workbook, Scholastic

Notification of the Right to Object to the Use of Materials

Any resident of the district may raise objection to instructional materials used in the district's educational program despite the fact that the individuals selecting such materials were duly qualified to make the selection and followed the proper procedure and observed the criteria for selecting such material.

The first step in expressing objection is consultation with the classroom teacher or library staff and providing a brief written complaint. The staff member receiving a complaint regarding instructional materials shall try to resolve the issue informally through the discussion of the original assignment or the opportunity for an alternative assignment.

If not satisfied with the initial explanation or an alternative assignment, the person raising the questions will meet with a building administrator who, if unable to resolve the complaint, will provide a Request for Reconsideration form which will be given to the superintendent for action.

Goals

100% of students will improve their quantile score by 50 points or more.

Behavior Expectations

Attendance – Attendance is crucial to understanding of the critical content. Those students who do not regularly attend usually struggle with the class content. If absences are unavoidable, please contact the teacher to arrange alternate assignments and learning opportunities.

The expectations in the classroom are very simple:

Arrive on time and prepared, Stay focused and on task, Follow directions, Respect others and program materials, Keep hands, feet, objects, and negative comments to yourself, Take part in classroom discussion

Evaluation (grading)

Grades may be comprised from scores in any of the following:

Class Participation

Software Progress

Grading Scale

A = 90%

B = 80 %

C = 70 %

D = 60 %

F = Below 60 %

By signing, both parent and student agree to expectations and rules of the Read 180 classroom.
