Any resident of the district may raise objection to instructional materials used in the district's educational program despite the fact that the individuals selecting such materials were duly qualified to make the selection and followed the proper procedure and observed the criteria for selecting such material.

The first step in expressing objection is consultation with the classroom teacher or library staff and providing a brief written complaint. The staff member receiving a complaint regarding instructional materials shall try to resolve the issue informally through the discussion of the original assignment or the opportunity for an alternative assignment.

If not satisfied with the initial explanation or an alternative assignment, the person raising the questions will meet with a building administrator who, if unable to resolve the complaint, will provide a Request for Reconsideration form which will be given to the superintendent for action.

Goals (SMART-specific, measurable, achievable, relevant, timeline-a reflection of specific critical content mastery):

By the end of the year 100% of students will meet or exceed subject level learning standards in Spanish year 2 as measured by a score of 70% or better on bi-weekly speaking, writing and grammar assessments.

Citizenship (Behavior Expectations)

Classroom Rules:

Reglas de clase:

Be in your seat on time when the bell rings.

Attendance will be taken during the first 10 minutes of class, you will be expected to be quiet and in your seat during that period so it does not take up a large portion of our class time. The Tardy and Attendance policy will be adhered to as indicated in your Student Handbook.

Be conscientious of the other students in the class.

One person speaks at a time unless otherwise instructed.

While working in small pairs or small groups please keep noise level to a minimum.

Bring pencil, pen and paper, and notebook to class each day

Attendance:

Ausencias:

You are responsible for notifying us ahead of time when you are not going to be in class if you have a prearranged absence. We will give you the work to make up ahead of time. If you are absent you are responsible for obtaining your missed work from your study buddy on your first day back to class. We will follow the student handbook regarding make-up work from absenteeism. "Failure to make up assigned work within a reasonable amount of time as allowed by the teacher will result in a grade of zero for the assignment. Students are allowed one more than the number of days absent to complete and hand in any make-up work. Exams and long-range assignments which students have been notified of in advance, must be taken or turned in immediately upon return." Because a large majority of our work is done verbally in class, you may be required to complete an additional assignment if you miss class as your make up work. (i.e. reading an article in Spanish, completing an extra worksheet, etc.)

Participation Grades:

Marcas de participacion:

From time to time we will complete graded participation tasks in class. When trying to learn a foreign language it is imperative you participate daily in the classroom. Everyone will be

expected to participate throughout the trimester. Participation grades are given for those students who are present and participating. The participation grades can be made up for those students absent for SCHOOL RELATED absences ONLY.

We will try to ONLY speak Spanish in the classroom and expect the same from the students. (don't panic when we are explaining new concepts and information we will assist you in English. First year students we will work up to 100% Spanish in the classroom by the end of the second trimester. Second-Fourth year students will be expected to attempt to use Spanish at all times when communicating in the classroom.)

Behavior:

Follow all rules and procedures

Disciplinary procedure will be followed as according to the Student Handbook of CCHS.

Evaluation (grading):

Grades may be comprised from scores in any of the following:

Daily Opener/Spiral Notebook

Three-Ring Binder Assessments 2 times per semester

Class Participation

Grading Scale:

A 90-100

**Students are not eligible to take the Year 3 or Year 4 Spanish without having earned Cs in the 2 prior semesters.

**90% of the grade is comprised of assessments (written examinations, oral and written presentations) and 10% is daily work and quizzes.

Makeup Policy-Students have as many days as they were absent (due to an excused absence only) to make up an assignment for credit. See student handbook.

Students have two weeks to retake or redo already completed work but they may NOT make up work that was not completed by the due date.

The highest grade that can be earned on a retake or redo exam or assignment is 75%.

Students who are not earning an A,B, or C in Spanish may be required to come to student support time for additional assistance or to complete make up work. The teacher will notify the student when they are required to attend. The student also may be required to attend a specific make up day during parent/teacher conferences to complete missed work.

Extra Credit Policy Spanish Department does NOT give extra credit assignments.
