

ADMISSION

A student seeking enrollment in the district for the first time must meet all academic, age, immunization, tuition and other eligibility prerequisites for admission as set forth in state law, Board policy and administrative regulations. Students and their parents should contact the office for admission requirements.

The district may deny regular school admission to a student who is expelled from another school district and who subsequently becomes a resident of the district or who applies for admission to the district as a nonresident student.

The district shall deny regular school admission to a student who is expelled from another school district for an offense that constitutes a violation of applicable state or federal weapons laws and who subsequently becomes a resident of the district or who applies for admission to the district as a nonresident student.

Alternative education services will be provided to students expelled from another school district for violation of applicable state or federal weapons laws and who subsequently become a resident of the district.

ALTERNATIVE EDUCATION PROGRAMS

Alternative education program options have been established and approved by the Board to meet the individual needs of students. These programs will be made available to students who are unable to succeed in the regular programs because of erratic attendance or behavioral problems; for students who have not met or who have exceeded all of Oregon's academic content standards; when necessary to meet a student's educational needs and interests; to assist students in achieving district and state academic standards; or when a public or private alternative program is not otherwise readily available or accessible. Such programs consist of instruction or instruction combined with counseling and may be public or private. Private programs must be registered with the Oregon State Department of Education. Home schooling shall not be used as an alternative education program placement.

The district will provide alternative education programs for students expelled for violation of applicable state or federal weapons law.

In-District Alternative Education Programs

1. Pioneer High School;
2. Tutorial instruction;
3. CCSD Online School;
4. Others as approved by the district.

Non-district Alternative Education Programs

1. COIC;
2. Community college;
3. Others as approved by the district.

Pioneer High School: As an alternative placement option for students in grades 9-12, Pioneer High School offers a smaller setting (average of 50-60 students total) with an emphasis on independent work for credit recovery. Each Pioneer student is assigned to one of two teachers/advisors who assist the student with course selection and completion. Most courses are provided online, although teacher-led instruction is offered for English/Language Arts and some Math classes. Pioneer works particularly well for older, computer-literate students who are self-starters and committed to earning their diplomas. Students who choose to graduate from Pioneer High School may earn a diploma that meets the State of Oregon's minimum requirements for a high school diploma. Parents must complete an Alternative Placement Request form at Crook County High School for approval.

The district pays the alternative education program cost or an amount equal to 80% of the district's estimated current year's average per student cost, whichever is less, for placing students in non-district alternative education programs. The student's placement must have the prior approval of the district.

The district will not assume alternative education costs for any student not placed in an alternative program according to procedures established by the district and Oregon law.

If a parent receives an exemption on a semi-annual basis to withdraw a student age 16 or 17 from school, the district has no obligation to pay for an alternative education program.

If a student is not successful in the alternative education program or the student and/or parent do not accept the alternative education programs, there is no obligation to propose or fund a second program.

ALTERNATIVE EDUCATION PROGRAMS - ESTABLISHMENT

Proposals from parents or student for the establishment of an alternative education program shall be submitted in writing to the superintendent or designee.

"Alternative education program" means a school or separate class group designed to best serve students' educational needs and interests and assist students in achieving the academic standards of the district and the state.

Proposals for alternative education programs shall include the following:

1. Goals;
2. Criteria for enrollment;
3. Proposed budget;
4. Staffing;
5. Location;
6. Assurance of nondiscrimination.

Proposals must be submitted to the superintendent or designee prior to November 1 for programs to be implemented the following school year. Proposals will be reviewed by the district. Contact the principal or district office for additional information on submitting proposals, the evaluation and approval process.

ANIMAL DISSECTION

In courses including animal dissection, a student may request alternative coursework rather than participate in dissection activities on any animal. The district will provide alternative materials and methods of learning the course curriculum. A student will not be penalized for exercising this option for alternative instruction opposed to animal dissection.

ASBESTOS

The district has complied with the Asbestos Hazard Emergency Response Act (AHERA) by having their buildings inspected by accredited inspectors and the development of a management plan for the control of this substance. The management plan is available for public inspection in the district office. The superintendent serves as the district's asbestos program manager and may be reached for additional information.

ASSEMBLIES

A student's conduct in assemblies must meet the same standard as in the classroom. A student who does not abide by the district's Student Code of Conduct during an assembly shall be subject to disciplinary action.

A program of school assemblies is provided with three basic objectives in mind:

1. to provide students with the opportunity to benefit educationally from programs which are informative or aesthetically worthwhile;
2. to provide an opportunity to recognize special contributions or accomplishments of members of our student body or staff;
3. to develop school spirit and unity.

Students are expected to attend assemblies unless excused by an administrator or counselor. Any student so excused will be expected to report to a supervised area designated by the Assistant Principal and remain there during the assembly program.

Assembly Behavior

1. Be courteous to fellow classmates, teachers and guests.
2. Stop talking the moment someone appears at the microphone.
3. Talking, whispering or disruption of any kind will not be tolerated.
4. Booming, whistling and shouting are not appropriate.
5. Remain seated until dismissed.
6. Show appropriate appreciation to the assembly presenters.

During any assembly, good manners and common courtesy are expected. Students are expected to give all adult and peer presenters their respect.

ASSESSMENT PROGRAM

The district's assessment program shall be designed for the purpose of determining district and school program improvement and individual student needs including the requirements of the Oregon Administrative Rules. Assessments shall be used to measure the academic content standards and Essential Skills and to identify students who meet or exceed the performance standards and Essential Skills adopted by the State Board of Education.

Students may opt-out of the statewide summative assessments as provided by state law. The district shall provide the required notice and necessary forms to the student. The district shall provide supervised study time for students who are excused from participating in the assessment.

ATHLETICS

The administration and staff of Crook County High School are committed to the value of student participation in school activities. Research has shown that students who have some involvement in activities make more satisfactory adjustments to school overall. Thus, the instructional and activity programs complement one another. *The ideal activity program would be one in which each member of the student body becomes involved, and through that involvement, develops a greater sense of belonging to the school.*

Athletics

Attendance:

Student athletes must attend school for at least one-half of the regular academic school day before they are allowed to practice or compete on that day. This includes excused absences! Any unexcused absence automatically excludes a student from athletic participation in practice or competition during that day. If the unexcused absence occurs on Friday, the student will not be allowed to compete on the weekend. Attendance will be monitored daily by the Athletic Director and coaches. Those students who do not comply with the attendance policy will be immediately removed from practice or competition. There will be zero tolerance for attendance related issues. Students placed in In-School or Out-of-School suspension will be considered ineligible for participation.

Conduct:

All student athletes must:

1. Dress and appear as stipulated by the coach of each sport.
2. Abide by published expectations distributed by each coach.

Student clubs and performing groups such as the band, choir, rally, dance, drama and athletic teams may establish rules of conduct - and consequences for misconduct - that are stricter than those for students in general. If a violation is also a violation of the Student Code of Conduct, the consequences specified by the district shall apply in addition to any consequences specified by the organization.

Academic Eligibility:

In order to be OSAA eligible a student athlete must have passed 5 classes the previous semester and also be currently enrolled in and passing 5 classes. OSAA now requires that all athletes are making satisfactory progress towards graduation by earning a minimum of the following quantity of credits: incoming sophomores must have 4.5 credits, incoming juniors must have 10 credits, and seniors must have earned 17 credits prior to the beginning of their senior year. Crook County High School will complete grade checks every three weeks. An athlete is ineligible if, upon grade checks, they are found to have one F or two D's. They will be ineligible until they can show necessary improvement.

Insurance:

Student athletes must show proof of medical insurance prior to athletic participation. School insurance is available if needed.

Medical:

Student athletes must pass an athletic physical examination every two years on the official OSAA Sports Examination Form. This form is kept on file at CCHS.

All students are required to travel to all athletic contests in school-sanctioned vehicles. Deviations from the above require prior approval of the school's athletic director.

Participation Fee:

Students who participate in the interscholastic athletic program shall pay a participation fee to partially defray expenses of the athletic programs. This fee does not influence the manner in which coaches select participants for events. The following rules and procedures will apply:

1. Students involved in any school-sponsored interscholastic sports will be assessed a \$125.00 participation fee per sport; \$100.00 participation fee for Free/Reduced eligibility per sport; maximum for family \$750.00 per school year.
2. Fees must be paid in full or a payment plan must be worked out with the office bookkeeper prior to the official first day of practice.

Miscellaneous:

1. All school athletic clothing is the property of the school district.
2. School athletic clothing is to be worn only when directed by the coach.

ATTENDANCE

All students between the ages of 6 and 18, who have not completed grade 12, are required to attend school unless otherwise exempted by law, under ORS 339.030. School staff will monitor and report violations of the state compulsory attendance law. All students five years of age who have been enrolled in public school are required to attend regularly.

Any person who fails to send a student to school within three days of notification by the district that their student is not complying with compulsory attendance requirements may be issued a citation by the district for the student's failure to attend school. Failure to send a student to school is a Class C violation of law and is punishable by a court imposed fine, as provided by ORS 339.095.

The district will notify the parent in writing that, in accordance with law, the administration will schedule a conference with the non-attending student and

his/her parent(s) to discuss attendance requirements. The written notice will conclude the following:

1. The superintendent has the authority to enforce the provisions of the compulsory attendance laws;
2. Failure to send a student to school is a Class C violation;
3. A citation may be issued by the district;
4. The parent has the right to request:
 - a. An evaluation to determine if the student should have an individualized education program (IEP), if the student does not have one; or
 - b. A review of the student's current IEP.
5. A conference with the parent and student is required. The conference may not be scheduled until after an evaluation or review as described in item 4 Above, if requested by the parent, has been completed.

The written notification will be in the native language of the parent.

Additionally, a parent or guardian, or other person lawfully charged with the care or custody of a student under 15 years of age, may, under ORS 163.577 (1)(c), be found by the courts to have committed the offense of failing to supervise a child who has not attended school as required. Failing to supervise a child is a Class A violation. Violations, as determined by the court, may be punishable by a requirement to complete a parent effectiveness program approved by the court and/or a fine.

Absence and Excuses:

When returning to school after an absence, a student must bring a note signed by the parent that describes the reason for the absence. Absence from school or class will be excused under the following circumstances:

1. Illness of the student;
2. Illness of an immediate family member when the student's presence at home is necessary;
3. Emergency situations that require the student's absence;
4. Fieldtrips and school-approved activities;
5. Medical or dental appointment. Confirmation of appointments may be required;
6. Other reasons deemed appropriate by the school administrator when satisfactory arrangements have been made in advance of the absence.

CCHS shall notify parents/guardians by the end of the school day if their child has an unplanned absence. The notification will be by telephone or another method identified in writing by the parent/guardian. If the parent/guardian cannot be notified by the above methods, a message shall be left, if possible.

Students may be excused on a limited basis from a preplanned classroom activity or from selected portions of the established curriculum on the basis of a disability or for personal, religious or ethnic considerations.

A student, who must leave school during the day, must bring a note from his/her parent. A student who becomes ill during the school day should, with the teacher's permission, report to the main office.

A student who has been absent for any reason is encouraged to make up specific assignments missed and/or to complete additional in-depth study assigned by the teacher to meet subject or course requirements. Parents should contact the office to arrange for the collection of homework assignments for a student who will be absent 3 or more days. Students have one more day than the number of days absent to complete and hand in make-up work for excused absences.

**Note: Students are responsible for contacting teachers for missed assignments. At the high school level, homework is not routinely gathered on behalf of absent students, especially for pre-arranged absences. Teachers' email addresses are available on the school website. If internet access is not available, a student or parent may call the school to find out the best time and phone number to reach a teacher. In the event of an emergency or illness involving three or more absent days in a row, homework may be requested through office staff.*

Absenteeism will not be used as a sole criterion for the reduction of grades. A student who is absent from school for any reason will not be allowed to participate in school-related activities on the day or evening.

Suspension of Driving Privileges

Students who fail to maintain regular attendance/enrollment in school may have either their driving privileges, or the right to apply for driving privileges, suspended. The superintendent or Designee may, under ORS 339.257, notify the Oregon Department of Transportation (ODOT) of the withdrawal of a student who is at least 15 years of age and under 18 years of age. Upon notice by the district that a student has withdrawn from school, ODOT shall notify the student that driving privileges will be suspended on the 30th day following the date of notice unless the student presents documentation that complies with ORS 807.066.

A student shall be considered to have withdrawn from school if the student has:

1. More than 10 consecutive days of unexcused absences; or
2. Fifteen school days total of unexcused absences during a semester.

The student has a right to appeal the superintendent/designee's or Board's decision through district suspension/expulsion due process procedures.

Tardiness:

Students are considered tardy if they are not seated in the classroom when the final bell rings. Students who are more than ten minutes late to class will be considered absent.

Tardiness to all classes will be accrued together to determine the appropriate discipline. Similar to unexcused absences, consequences for tardiness will be handled on a step basis. The more tardy occurrences a student accrues, the higher the discipline level. Consequences can range from automatic detention time at lunch or after school, to increased detention time or in-school suspension. If tardiness continues to be a problem, it may result in the next step in the building management plan.

Truancy/Unexcused Absences (Skipping individual classes/all day skips):

A student who is absent from school or from any class without permission will be considered truant and will be subject to disciplinary action including detention, suspension, expulsion, ineligibility to participate in athletics or other activities and/or loss of driving privileges

Students who miss or are late for detention may be assigned additional time automatically. If detention is missed a second time, a referral may be submitted to an administrator for additional discipline.

Excessive truancy may result in loss of credit and removal from class.

1. **Automatic Dialer System:** Our automatic dialer system will call to inform parents about their students' absences and tardiness daily (excluding school-related and/or pre-arranged absences). Parents are responsible for keeping contact information current in writing.
2. **Absence calls:** If the student is absent or tardy call the attendance office (541-416-6901) or send a note with your student within 48 hours so that the school will know why your student has missed.
3. **Make-Up Work:** Parent/Student must contact teacher/s to arrange make-up work. This can be done in person or through the Internet.
4. **Unexcused Absences:** All unexcused absences for all periods will be added together to determine the appropriate discipline step. If absences continue, the discipline step will be higher with more severe consequences. Discipline can range from automatic detention during lunch or after school, conferences with an administrator, additional or increased detention time, in-school suspension, warning letter(s) to parent(s) with a visit by a school or County official, or other actions deemed appropriate by administrators.

In addition, if a student continues to have unexcused absences, any or all of the following may occur:

- Follow up with parents

- Loss of placement
 - Change of placement
 - Notification to the Juvenile Department
 - Loss of driver's license or driver's permit
 - Parent citation for \$180.00
5. At more than 5 absences, grades and/or credit may be jeopardized. A conference with the teacher should be scheduled to arrange for makeup work or other possible outcomes such as: a special contract with the teacher; an independent study plan; an incomplete grade to allow more time to complete the work; reduced credit. The students' counselor can assist in this process.
 6. **Pre-Arranged Absences:** When a student will be missing school for a pre-arranged reason, students are to make arrangements regarding the work to be missed. **Note: even with pre-arranged absences, work will still be missed in the classroom and this may result in a decrease in performance by the student and could affect academic progress.**
 7. The automated dialer system delivers messages only; parents cannot call in and access attendance records. If you have questions about your student's attendance you may log on to our web site at www.crookcounty.k12.or.us - choose "schools", "high school", "academics", then input your student's I.D. # and PIN. Our attendance information is updated daily on the web. You may also call the attendance office (541)416-6901.

CHEATING

Crook County High School strongly promotes academic honesty and integrity. Cheating will not be tolerated. Any student caught cheating will receive a grade of zero on the assignment or exam, and may be removed from the class with loss of credit, suspension, or expulsion from school. Cheating includes all acts of academic dishonesty such as supplying or receiving information during a test, copying tests or homework, allowing others to copy your work, obtaining test answers or questions beforehand, using unauthorized materials during a test, using a project or paper in a second class without teacher permission, or using the ideas or writing of another as your own (plagiarism).

CLASS RANKING

The district's valedictorian and salutatorian may be permitted to speak as part of the district's planned graduation program at the discretion of the principal. Titles and/or privileges available to or granted to students designated as valedictorian or salutatorian may be denied or revoked for violation of Board policy, administrative regulation or school rule. See page 27 for chart.

CLOSED CAMPUS / OPEN CAMPUS

Students shall not leave any school campus without a legitimate reason once they have arrived on the school grounds. Said legitimate reason is to be established under the supervision of the principal together with the student and his/her parents. Personal contact with parent/guardian or their designee is required. Parental permission is not required for sophomores, juniors or seniors to leave campus during their regularly scheduled lunch period.

Off-campus privileges are granted to students in good standing as determined by the principal. For sufficient reason, the principal may revoke the off-campus privilege for any and all students.

Sophomores, juniors and seniors are permitted to leave during the lunch period only; however, sophomores, juniors and seniors who transport freshmen off campus will be subject to disciplinary action, including loss of off campus privilege.

Freshmen are expected to remain on campus during the lunch period. Failure to observe the policy will result in disciplinary action.

Off Limits:

The following areas are off limits to student during the school day, including lunch and class breaks:

1. All parking lots (except with pass from staff);
2. The areas around and between the shops, greenhouse and modular buildings on the east side of the school;
3. Softball fields and dugouts.

CLUBS AND ORGANIZATIONS

A strong, healthy program of clubs and other school-related organizations is one that represents the common interest of a group of students and a staff member willing to serve as an advisor. There will be an opportunity for interested students to sign up for club participation.

Student clubs and performing groups such as the band, choir, cheer, dance, drama and athletic teams may establish rules of conduct - and consequences for misconduct - that are stricter than those for students in general. If a violation is also a violation of the Student Code of Conduct, the consequences specified by the district shall apply in addition to any consequences specified by the organization. Students may forfeit office, honors and activities for violations of conduct.

Conduct:

1. Students must dress and appear as stipulated by advisor;
2. Student must abide by expectations distributed by advisor.

COMMUNICABLE DISEASES

Parents of a student with a communicable or contagious disease are asked to telephone the school nurse so that other students who have been exposed to the disease can be alerted. A student with certain school-restrictable diseases is not allowed to come to school while the disease is contagious. This restriction is removed by the written statement of the local health officer or a licensed physician (with the concurrence of the local health officer) that the disease is no longer communicable to others in the school setting. For those diseases indicated by an asterisk (*) below, the restriction may be removed by a school nurse. For head lice, indicated by a double asterisk (**) below, the restriction may be removed after the parent provides a signed statement that a recognized treatment has been initiated.

These diseases include chicken pox*, cholera, diphtheria, measles, meningitis, mumps*, lice infestations**, whooping cough, plague, rubella, scabies*, staph infections*, strep infections*, tuberculosis and pandemic flu. Parents with questions should contact the school office.

COUNSELING

Academic Counseling

Students are encouraged to talk with district counselors, teachers and building administrators in order to learn about the curriculum, course offerings and graduation requirements. All students in grades 9-12 and their parents shall be notified annually about the recommended courses for students. A complete curriculum guide may be obtained in the Counseling Center. Students interested in attending a college, university or training school, or pursuing some other advanced education, should work closely with their counselor so that they may take the courses that will best prepare them for further work. The counselor can also provide information about entrance examinations required by many colleges and universities, as well as information about financial aid and housing.

DAMAGE TO DISTRICT PROPERTY

A student who is found to have damaged district property will be held responsible for the reasonable cost of repairing or replacing that property. The district will notify students and parents of all such charges. If the amount due is not paid within 10 calendar days of receipt of the district's noticed, the amount will become a debt owed and certain penalties and/or restrictions may be imposed. See Fees, Fines and Charges.

DANCES / SOCIAL EVENTS

~~The rules of good conduct and grooming shall be observed for school dances and social events.~~ Guests will be expected to observe the same rules as students attending the events. The person inviting the guest will share responsibility for the conduct of the guest. A student attending a dance or social event may be asked to sign out when leaving before the end of the activity. Anyone leaving before the official end of the activity will not be readmitted.

Dances are a privilege. In order to continue dances, students must follow the guidelines below:

- Be a current CCHS or Pioneer student to gain admittance to all dances
- Students who leave the dance will not be re-admitted and may be asked to sign out when leaving before the end of the activity
- All school rules are enforced at dances and other after-school activities
- Students with any major step violation within the last 10 school days may not attend
- **Winter Formal and Prom:**
 - Dress code for Winter Formal is formal attire and the Junior/Senior Prom is formal/semi-formal attire
 - For Winter Formal and Prom, students may bring one 9th to 12th grade guest and no older than 19 years of age, **if a guest pass has been approved by administration in the main office three school days prior to the dance.** Prom tickets may only be purchased by Juniors or Seniors. Freshmen and Sophomores may attend as a guest of an upperclassman.
- Guest passes will only be issued for the Winter Formal and Prom
- Guests will be expected to observe the same rules as students attending the events

- Students must dance appropriately or they will be asked to leave
- Breathalyzers may be used at extra-curricular activities

DIPLOMA OPTIONS

Students will work toward two different types of diplomas - the Standard Diploma and the Honors Diploma. Students wishing to earn an Honors Diploma may obtain information in the Counseling Center.

Students must earn an Honors Diploma to be eligible for Valedictorian.

Standard Diploma: This diploma is awarded to students who successfully meet the high school graduation requirements of Crook County High School. The majority of students who attend Crook County High School will receive this diploma. When students earn this diploma they will be prepared to enter a community college. With this diploma, a student could also be eligible for four year colleges or universities if they take two consecutive years of foreign language as part of the coursework at CCHS.

Honors Diploma: Students who complete this diploma will complete the graduation requirements for Crook County School District and complete additional Math, Science, Foreign Language, and 6 Capstone class credit requirements. These additional requirements will provide greater preparation for four year colleges and universities.

ADVANCED DIPLOMA

The Advanced Diploma is a 5th year diploma program that is available for students who have met the graduation requirements but are not eligible for the Oregon Promise. Advanced Diploma students can go to our local community college. Students earning an Advanced Diploma will be dually enrolled at CCHS and the community college and take a minimum of 9 credits or maximum of 12 credits per term. This is a one-year program (Fall, Winter, and Spring).

Please see the ASPIRE coordinators in the CCHS Future Center for more information.

OREGON PROMISE

The Oregon Promise provides grants to new high school graduates and GED recipients who will begin community college classes in Fall 2016. This grant program is administered by the Office of Student Access and Completion (OSAC) in Oregon's Higher Education Coordinating Commission (HECC). Eligibility for the Oregon Promise is determined by the following criteria:

1. Graduate from an Oregon high school or complete a GED;
2. A 2.5 cumulative GPA or higher;
3. Enroll in an Oregon community college within 6 months of graduating high school/completing GED;
4. Be enrolled in an eligible program at least half time (6 or more credit-hours) each term.

DISCIPLINE / DUE PROCESS

A student who violates the Student code of Conduct shall be subject to disciplinary action. A student's due process rights will be observed in all such instances, including the right to appeal the discipline decisions of staff and administrators. Discipline in the district is based upon a philosophy designed to produce behavioral changes that will enable students to develop the self-discipline necessary to remain in school and to function successfully in their educational and social environments. Student disciplinary sanctions will offer corrective counseling and sanctions that are age appropriate, and to the extent practicable, that use approaches that are shown through research to be effective.

Disciplinary measures are applied, without bias, depending on the nature of the offense. The age and past pattern of behavior of a student will be considered prior to any suspension or expulsion.

In addition, when a student commits substance abuse, drug or drug paraphernalia, alcohol - and/or tobacco - related offenses or any other criminal act, he/she may also be referred to law enforcement officials. Violations of the district's weapons policy, as required by law, shall be reported to law enforcement.

Student Behavior Consequence

1. Lunch detention
2. After school detention
3. Suspension
4. Change of educational placement
5. Expulsion
6. Other as assigned by school administrator

*** Severe Clause: Severe violations of Code of Conduct may result in disciplinary consequences up to an immediate 10-day suspension, change of placement or expulsion.**

Detention:

A student may be detained outside of school hours on one or more days if the student violates the Student Code of Conduct. The detention shall not begin, however, until the student's parents have been notified of the reason for the detention and can make arrangements for the student's transportation on the day(s) of the detention.

Discipline of Disabled Students:

When a student being served by an Individualized Education Program (IEP) engages in conduct which would warrant suspension of more than 10 days or expulsion for a non-disabled student, the student's parents will be notified immediately (within 24 hours) of the circumstances of the misbehavior and the time and location of the student's IEP team meeting addressing the infraction and its relationship to the disability.

The IEP team will determine whether the misconduct is a manifestation of the student's disability. Should the IEP team conclude the misconduct has no relationship to the student's disability, the student may be disciplined in the same manner as would other students.

If the IEP team concludes the misconduct is a consequence of the student's disability, the team may review and revise the student's IEP and determine whether a change in placement is needed. A student with an IEP will not be suspended for more than 10 days, expelled or have educational services terminated by the district for any behavior that is a manifestation of the disability.

A student may be removed from the current educational placement to an interim alternative setting for up to 45 calendar days in a school year for a drug or weapon violation as provided in district procedures. Additionally, the district may request an expedited due process hearing to obtain a hearing officer's order to remove a student to an interim alternative educational setting for not more than 45 days if the student is exhibiting injurious behavior. For the purpose of this request, "injurious behavior" is defined as behavior that is substantially likely to result in injury to the student or to others.

Expulsion:

Students may be expelled for any of the following circumstances:

- a) When a student's conduct poses a threat to the health or safety of students or employees;
- b) When other strategies to change the student's behavior have been ineffective, except that expulsion may not be used to address truancy;
- c) When required by law.

No student may be expelled without a hearing unless the student's parent or the student, if 18 years of age waives the right to a hearing, whether in writing or by failure to appear at a scheduled hearing.

An expulsion shall not extend beyond one calendar year.

The district will provide appropriate expulsion notification including expulsion hearing procedures, student and parent right and alternative education provisions as require by law. See alternative education programs and alternative education notice in this handbook.

Suspension:

A student whose conduct or condition is seriously detrimental to the school's best interests may be suspended for up to and including 10 school days. A student may be suspended for one or more of the following reasons:

- a) Willful violation of Board policies, administrative regulations or school rules;
- b) Willful conduct which materially and substantially disrupts the right of other to an education;
- c) Willful conduct which endangers the student, other students or staff members; or
- d) Willful conduct which damages or injures district property.

The district may require a student to attend school during non-school hours as an alternative to suspension.

An opportunity for the student to present his/her view of the alleged misconduct will be given. Each suspension will include a specification of the reasons for the suspension, the length of the suspension, a plan for readmission and an opportunity to appeal the decision.

Every reasonable and prompt effort will be made to notify the parents of a suspended student.

While under suspension, a student may not attend after-school activities and athletic events, be present on district property nor participate in activities directed or sponsored by the district.

School work missed by a student while on suspension may be made up upon the student's return to school if the work missed reflects achievement over a greater period of time than the length of the suspension. For example, a student will be allowed to make up final, mid-term and unit examinations without an academic penalty.

DISTRIBUTION OF MATERIALS

All aspects of K-8 school-sponsored publications, including web pages, newspapers and/or yearbooks, are completely under the supervision of the teacher and principal. Students may be required to submit such publications to the administration for approval. Generally, high school student journalists have the right to exercise freedom of the press and freedom of speech in school-sponsored media. School-sponsored media prepared by student journalists are subject to reasonable time, place and manner restrictions pursuant to state and federal law.

Written materials, handbills, photographs, pictures, petitions, films, tapes or other visual or auditory materials may not be sold, circulated or distributed on district property by a student or a non-student without the approval of the administration.

Materials not under the editorial control of the district may be subject to administrative review, restricted or prohibited, based on legitimate educational concerns. Such concerns include whether the material is defamatory; age-appropriate to the grade level and/or maturity of the reading audience; poorly written, inadequately researched, is biased or prejudiced; not factual; or not free of racial, ethnic, religious or sexual bias. Materials include advertising that is in conflict with public school laws, rules and/or Board policy, deemed

inappropriate for students or may be reasonably perceived by the public to bear the sanction for approval of the district.

The district may designate the time, place and manner for distribution.

If materials are not approved within 24 hours of the time that it was submitted, it must be considered disapproved.

Disapprovals may be appealed by submitting the disapproved materials to the superintendent; material not approved by the superintendent within three days is considered disapproved. This disapproval may be appealed to the Board at its next regular meeting when the individual shall have a reasonable period of time to present his/her viewpoint.

DRESS AND GROOMING

The district's dress code is established to promote appropriate grooming and hygiene, prevent disruption and avoid safety hazards.

Students who represent the school in a voluntary activity may be required to meet additional dress and grooming standards approved by the principal and may be denied the opportunity to participate if those standards are not met.

The following general guidelines are designed broadly enough to allow individual expression:

1. **Underwear shouldn't show.** This means that pants should be high enough that boxers don't show. It also means that shoulder straps and armholes can't reveal undergarments.
2. **See-through clothes aren't appropriate.** Mesh shirts, gauzy blouses, and contrasting underwear warrant too much attention for school attire.
3. **Bare skin should be limited.** Strapless tops, low-cut t-shirts, cropped blouses, short shorts, and hip hugger pants aren't acceptable dress if they reveal midriffs, bare backs, navels, cleavage, or buttocks. Tops must have straps on both sides of the shoulder. A good guideline for straps is that they should be at least one inch in width.
4. **Slogans on shirts can't contradict our educational mission.** T-shirts that glorify drugs, alcohol, tobacco, physical brutality, promiscuous sex, or vulgarity don't belong at school.
5. **Sunglasses should not be worn in the building.**
6. **Shoes with soles must be worn at all times.**

When dress or grooming clearly disrupts learning or presents a health or safety hazard, the student will be asked to change. Students refusing to change their attire will be considered defiant and appropriate consequences will be administered.

~~EMERGENCY DRILLS - FIRE, EARTHQUAKE, SAFETY THREATS AND OTHER EMERGENCY DRILLS~~

Instruction on fire and earthquake dangers and drills for students shall be conducted for at least 30 minutes each school month.

At least one fire drill, which includes routes and methods of exiting the school building, will be conducted each month for students in grades K-12. At least one fire drill will be conducted within the first 10 days of the school year.

At least two drills on earthquakes and two drills for safety threats for students will be conducted each year for students in grades K-12. Drills and instruction on safety threats shall include procedures related to lockdown, lockout, shelter in place and evacuation and other actions to take when there is a threat to safety.

A map/diagram of the fire escape route to be followed is posted near all classroom doorways and reviewed with students. When the fire alarm is sounded, students must follow the direction of staff quickly, quietly and in an orderly fashion.

EMERGENCY MEDICAL TREATMENT

A student who becomes ill or is injured at school must notify his/her teacher or another staff member as soon as possible. In the case of a serious illness or injury, the school shall attempt to notify parents according to information provided on emergency forms and submitted by parents to the school. Parents are encouraged to update this information as often as necessary.

If the student is too ill to remain in school, the student will be released to the student's parents or to another person as directed by parents on the student's emergency form.

School staff may administer emergency or minor first aid, if possible. The school will contact emergency medical personnel if necessary and will attempt to notify the student's parents whenever the student has been transported for treatments.

EMERGENCY SCHOOL CLOSING INFORMATION

In case of hazardous or emergency conditions, the superintendent may alter district and transportation schedules as are appropriate to the particular condition. Such alterations include closure of all schools, closure of selected schools or grade levels, delayed openings of schools and early dismissal of students.

In the event school is closed due to inclement weather, the following radio stations will begin announcing school closures by 6:30 a.m.: KRCC-AM (690), KRCC-FM (96.5), THE PEAK-FM (104.1), KQAK-FM (105.7), and KTVZ TV. As closure information becomes available, the district website will be updated and automated calls and texts will be sent.

Please be aware that changes in weather and road conditions can result in bus pick-up and route times being late. We ask that you avoid calling the school, as phone lines are needed for emergency use. Please call the Transportation office at 447-7789.

FEES, FINES AND CHARGES

Materials that are part of the basic educational program are provided without charge to a student. A student is expected to provide his/her own supplies of pencils, paper, erasers and notebooks and may be required to pay certain other fees or deposits, including:

1. Club dues;
2. Materials for a class project the student will keep in excess of minimum course requirements and at the option of the student;
3. Athletic equipment and apparel;
4. Voluntary purchases of pictures, publications, class rings, graduation announcements, etc;
5. Student accident insurance and insurance on school-owned equipment;
6. Lock replacement fee;
7. NJROTC uniform maintenance;
8. Student identification cards;
9. Fees for damaged library books and school-owned equipment;
10. Field trips considered optional to the district's regular school program;
11. Admission fees for certain extracurricular activities;
12. Participation fees.

Any required fee or deposit may be waived if the student and parent are unable to pay. Application for such a waiver may be made to the principal.

The district may impose certain restrictions and/or penalties until fees, fines or damages are paid. All such restrictions and/or penalties shall end upon payment of amount owed. Fees, fine and charges owed to the district may be waived at the discretion of the superintendent or designee if:

1. The district determines that the parent of the student is unable to pay the debt;
2. The payment of the debt could impact the health or safety of the student;

3. The creation of the notice of the debt owed would cost more than the potential total debt collected relating to the notice;
4. There are mitigating circumstances as determined by the superintendent or designee that preclude the collection of the debt.

A written notice will be provided to the student and his/her parent(s) of the district's intent to collect fees, fines and damages owed. Notice will include the reason the student owes money to the district, and itemization of the fees, fines or damages owed and the right of the parent to request a hearing. The district may pursue possible restrictions and/or penalties through a private collection agency or other method available to the district.

Debts not paid within 10 calendar days of the district's notice to the student and parent will result in possible restrictions and/or penalties, until the debt is paid and possible referral of the debt to a private collection agency or other methods available to the district. A request to waive the student's debt must be submitted in writing to the superintendent or designee. Such requests must be received no later than 10 calendar days following the district's notice.

FIELD TRIPS

Field trips may be scheduled for educational, cultural, or other extracurricular purposes. All students are considered to be "in school" while participating in district-sponsored field trips. This means students are subject to the school's student conduct rules, applicable Board policy, and such other rules as may be deemed appropriate by the field trip supervisor.

FUNDRAISING

Student organizations, clubs or classes, athletic teams, outside organizations and/or parent groups may occasionally be permitted to conduct fund-raising drives. An application for permission must be made to the principal at least 10 days before the event.

All funds raised or collected by or for school-approved student groups will be receipted, deposited and accounted for in accordance with Oregon law and applicable district policy and procedures. All such fund will be expended for the purpose of supporting the school's extracurricular activities program. The Principal/Activities Director is responsible for administering student activity funds. They serve as the student government representatives in administration of student activity funds.

GANGS

The presence of gangs and the violent activities and drug abuse that often accompany gang involvement can cause a substantial disruption of school, district activities and a student's ability to meet curriculum and attendance requirements.

According to district policies, a gang is a group of two or more persons whose purpose is to commit illegal acts or whose activities can cause a substantial disruption with school or school activities. A gang is also defined as any group that identifies itself with a name, unique appearance or language, including hand signs, the claiming of geographical territory or the espousing of a distinctive belief system that frequently results in criminal activity. The question of items related with gangs or subversive groups will be identified by school administrators in conjunction with local law enforcement agencies and communicated to parents and students in the school newsletters and in announcements.

In an effort to reduce gang involvement, the district encourages students to become involved with district-sponsored clubs, organizations and athletics and to discuss with staff and district officials the negative consequences of gang involvement and to seek the assistance of counselors for additional guidance and district and community resources that offer support to students and alternatives to gang involvement.

No student on or about district property or at any district activity shall wear, possess, use, distribute, display or sell any clothing, jewelry, emblem, badge or any other such symbol evidencing gang membership or affiliation. Not student shall use any speech, either verbal or nonverbal (gestures, handshakes, etc.) signifying gang membership or affiliation. No student shall solicit other students for membership in any gangs nor commit any other illegal act or other violation of district policies.

Students in violation of the district's gang policy will be subject to discipline in accordance with the district's Student Code of Conduct.

GRADE CLASSIFICATION

After the ninth grade, students are classified by grade level according to the number of units of credit earned toward graduation.

*See chart on page 27.

GRADE REDUCTION / CREDIT DENIAL

At the beginning of each school year or course, teachers will inform students and parents how attendance and class participation are related to the instructional goals of the subject or course.

Punctual and regular attendance is essential to the academic success of students. District staff may consider a student's attendance in determining a grade reduction or credit denial, though attendance will not be the sole criterion used. Such decisions will not be based on non-attendance due to religious reasons, a student's disability, or an excused absence, as determined by district policy.

Due process will be provided to any student whose grade is reduced or credit denied for attendance rather than for academic reasons.

GRADUATION EXERCISES

Students in good standing who have successfully completed the requirements for a high school diploma, a modified diploma, an extended diploma or an alternative certificate may participate in graduation exercises. Students who have not met the district's diploma or certificate requirements will not be permitted to take part in the district's graduation exercises. Additionally, students may be denied participation in graduation exercises for violation of Board policies, administrative regulations, or school rules.

Any violation resulting in a suspension during the window of time in which graduation exercises occur may result in students being denied the opportunity to walk at graduation. All coursework/requirements for graduation must be completed (this includes all on-line courses & college courses with official transcript showing completion) and all fees/fines must be paid and books turned in by 3:30 p.m. the Friday before graduation.

The valedictorian(s), salutatorian(s) or others may be permitted to speak as part of the graduation exercise program at the discretion of the building principal or designee. Student speeches may be permitted at the discretion of the district and shall be reviewed and approved in advance by the building principal.

HAZING / HARASSMENT / INTIMIDATION / BULLYING / CYBERBULLYING / MENACING

Hazing, harassment, intimidation, menacing, cyberbullying or bullying, or teen dating violence, by students, staff or third parties toward students is strictly prohibited and shall not be tolerated in the district. Retaliation against any person who reports, is thought to have reported, files a complaint or otherwise participates in an investigation or inquiry is also strictly prohibited. False charges shall also be regarded as a serious offense and will result in disciplinary action or other appropriate sanctions.

Students whose behavior is found to be in violation of this policy will be subject to discipline up to and including expulsion. The district may also file a request with the Oregon Department of Transportation to suspend the driving privileges

"Harassment, intimidation or bullying" means any act that substantially interferes with a student's educational benefits, opportunities or performance, that takes place on or immediately adjacent to school grounds, at any school-sponsored activity, on school-provided transportation or at any official school bus stop, that may be based on but not limited to, the protected class of a person, having the effect of:

Any employee who has knowledge of conduct in violation of this policy shall immediately report his/her concerns to the principal who has overall responsibility for all investigations. Any student who has knowledge of conduct in violation of this policy or feels he/she has been hazed, harassed, intimidated or bullied, menaced, a victim of teen dating violence and act of being cyberbullied in violation of this policy is encouraged to immediately report his/her concerns to the Principal who has overall responsibility for all investigations. HOMELESS STUDENTS

The district provides full and equal opportunity to students in homeless situations as required by law, including immediate enrollment. School records, medical records, proof of residence or other documents will not be required as a condition of admission. A student is permitted to remain in his/her school of origin for the duration of his/her homelessness or until the end of any academic year in which he/she moves to a permanent housing.

Transportation to the student's school of origin will be provided, at the request of the parent, or in the case of an unaccompanied student, at the request of the district's liaison for homeless students. For additional information concerning the right of students and parents of students in homeless situations or assistance in accessing transportation services, contact the district office.

HOMEWORK POLICY

Homework is assigned to provide students an opportunity to practice independently what has been presented in class, to improve the learning processes, to aid in the mastery of skills, and to create and stimulate interest. Whatever the task, the experience is intended to be complementary to the classroom process.

Students have three school days from the due date of the assignment to turn in any late work for credit, unless other arrangements have been made with the teacher. Students who have been absent from school have one more day than the number of days absent to complete and hand in any assigned make-up work for excused absences.

IMMUNIZATIONS

A student must be fully immunized against certain diseases or must present a certificate or statement that, for medical or religious reasons, the student should not be immunized. Proof of immunization may be personal records from a licensed physician or public health clinic.

INFECTION / DISEASE INSTRUCTION

Although HIV, AIDS, and HBV are serious illnesses, the risk of contracting the disease in school is extremely low and generally limited to situations where non-intact skin or mouth, eye, or other mucous membranes would be exposed to blood or any body fluids contaminated with blood from an infected person.

Since any such risk is serious, however, the district requires that staff and students approach infection control using standard precautions. That is, each student and staff member is to assume all direct contact with human blood and body fluids is regarded as known to be infectious for HIV, AIDS, HBV and/or other infectious diseases.

An age-appropriate plan of instruction about infections/diseases including AIDS, HIV, HBV, and HCV has been included as an integral part of the district's health curriculum. Any parent may request that his/her student be excused from that portion of the instructional program required by Oregon law by contacting the principal for additional information and procedures.

Students or parents with questions about the district's AIDS, HIV, HBV, and HCV health education program should contact Stacy Smith (Curriculum - 447-3030).

INSURANCE

At the beginning of the school year, the district will make available to students and parents a low-cost student accident insurance program. LOCKERS

Lockers and other district storage areas provided for student use remain under the jurisdiction of the district even when assigned to an individual student. The district reserves the right to inspect all lockers. A student has full responsibility for the security of the locker and is responsible for making certain it is locked and that the combination is not available to others. Valuables should never be stored in the student's locker. Lockers may be routinely inspected without prior notice to ensure no item, which is prohibited on district premises, is present, maintenance of proper sanitation, mechanical condition, and safety, and to reclaim district property including instructional materials. Students may be permitted to take prescription or nonprescription medication, and/or self-medicate at school, at school-sponsored activities, under the supervision of school personnel, and in transit to or from school or school-sponsored activities.

District-Administered Medication:

Requests for the district to administer medication shall be made by the parent in writing and shall include permission from the parent.

Written instructions of the physician are required for all requests to administer prescription medication. Such instructions must include the following information: name of the student, name of the medication, dosage, method of administration, frequency of administration and any special instructions. A prescription prepared by a pharmacist at the direction of a physician, physician assistant or nurse practitioner meets the requirements for written instructions from the physician, if the information above is included.

Written instructions, with permission of the parent, which includes the information above are required for all requests to administer nonprescription medication.

All medication to be administered by the district is to be brought to school by the parent in its original container. Medication not picked up by the parent within five school days of the end of the medication period or at the end of the school year, whichever occurs first, will be disposed of by the district.

In situations when a licensed health care professional is not immediately available, designated trained staff may administer to students, by means of injection, epinephrine, glucagon or other medications as prescribed and allowed by Oregon law (OAR 851-047-0030).

Premeasured Doses of Epinephrine:

A premeasured dose of epinephrine may be administered by trained, designated district staff to any student or other individual on school premises, who the personnel believe, in good faith, is experiencing a severe allergic reaction, regardless of whether the student or individual has a prescription for epinephrine.

Students in grades K-12 are permitted to self-medicate prescription and nonprescription medication upon written request of the parent and building principal permission. In the case of prescription medication, permission from the physician or other licensed health care provider is also required. Such permission may be indicated on the prescription label. Other students who must carry medication may also be permitted to self-medicate when the necessary permission form and written instructions have been submitted.

All medication must be kept in its appropriately-labeled, original container. The student's name is to be affixed to nonprescription medication.

Students may have in their possession only the amount of medication needed for that school day. Except for manufacturer's packaging that contains multiple dosage, the student may carry one package. Sharing or borrowing medication is strictly prohibited.

Permission to self-medicate may be revoked if the student is found to be in violation of these requirements. Students may also be subject to disciplinary action.

Contact the school office for additional information and forms.

NCAA / NAIA REQUIREMENTS

Families and students are responsible for knowing the NCAA and/or NAIA requirements and deadlines. Students who have the potential of participating in athletics at the NCAA or NAIA level need to log on to the appropriate website to find out what the academic eligibility requirements are to be certified by the NCAA or NAIA. If students choose courses that do not meet the requirements, they

could be risking eligibility. Additional information can be found on the NCAA website at www.eligibilitycenter.org and the NAIA website at www.playnaia.org.

PARENTAL INVOLVEMENT

Education succeeds best when there is a strong partnership between home and school. As a partnership thrives on communication, the district asks parents to:

1. Encourage their students to put a high priority on their education and to commit themselves to making the most of the educational opportunities the district provides;
2. Keep informed on district activities and issues. The CCHS newsletter published monthly, conferences and parent/booster club meetings provide opportunities for learning more about the district;
3. Become a district volunteer. For further information contact the main office;
4. Participate in district parent organizations. The activities are varied, ranging from graduation activities to the building's site council, with its emphasis on instructional improvement.

Personal electronic devices shall not be used in restrooms or locker rooms.

Students may not access social media websites using district equipment, while on district property or at district-sponsored activities unless the access is approved by a district representative.

PHYSICAL EXAMINATIONS (Athletics)

Students in grades 6 through 12 must have a physical examination performed by a physician prior to practice and competition in athletics and shall additionally have a physical examination once every two years and after either a significant illness or a major surgery prior to further participation.

The physical examination is the responsibility of the parent/student and is to be paid for by the parent/student.

Record of the examination must be submitted to the district and will be kept on file and reviewed by the athletic director prior to the start of any sports season.

Students shall not participate without a completed school sports pre-participation examination form on file with the district.

If it is necessary, these items may be left in the main office to be secured in the safe. **P.E. students should turn in money and other valuables to the teacher during the class period.** Do not share locker combinations or lockers! Students should keep all personal property locked up. Report all thefts to the campus security immediately. SCHEDULING, CREDITS & POLICIES

SCHEDULE CHANGES

Students will be allowed to add or drop classes during the first 10 days of each semester without grade and/or credit penalties. Parent signatures must be obtained for dropping academic classes. A teacher's signature must be obtained to add a class after the 10-day grace period, and the student MAY receive reduced credit for the course. Students are encouraged to make their schedule changes in advance to allow sufficient time for their changes to be made and avoid missing the 10-day deadline. During the 10-day grace period students cannot miss class time in order to make schedule changes.

Students who drop a class after 10 days will receive an "F" for that class unless transferring into an equivalent class.

Ninth, tenth and eleventh grade students are expected to carry a full schedule and must add a course in place of each one dropped.

Retaking a Course: A student may repeat any course in order to improve his/her knowledge and skills of the content in that course when a grade of B, C, D or F has been earned. Any letter grade, whether A, B, C, D or F indicating the course has been completed, will be recorded on the transcript, and will be used in the GPA calculation. If a course is retaken, the student can choose between: 1. Replace the original grade with a NG (No Grade) or 2. Have the higher grade earned count for required credit on the transcript and the lower grade count as elective credit on the transcript.

AP CLASSES

College Credit/Advanced Placement (AP) classes are college-level courses that you can earn college credit through dual enrollment and/or the AP Exam. A student who earns the required score on an AP Exam may be granted the equivalent of credit for a one-year college course when they enter college. **All AP courses are graded on a 5.0 scale.** The granting college or university determines the amount of college credit granted. The exam is developed by the College Board and is given nationally in the spring.

EARN COLLEGE CREDIT

CCHS offers college courses during the year in which students can earn both high school and college credit. The classes are articulated with Central Oregon Community College, Oregon Institute of Technology and Eastern Oregon University. Students may earn college credit by earning a grade of C or higher and paying tuition at a discounted price. These classes are taught by CCHS staff and the

credits earned in these classes can be applied toward degree or certificate programs and may transfer to four-year colleges (some transfer as elective credit).

*AP Courses have the possibility for dual enrollment for college credit

Oregon University System Colleges and Accredited Community Colleges Formula:

- A 3 or 4 college credit class = .5 high school credit
- A 5 or 6 college credit class = 1.0 high school credit

CONFERENCES

Regular conferences are scheduled annually in the fall and spring to review student progress. In addition to parent teacher conferences this year CCHS will be requiring all students with a D or F to attend school during the conference days for extra help. More detailed information and specific times will be announced.

Students and parents may also expect teachers to request a conference: (1) if the student is not maintaining passing grades or achieving the expected level of performance; (2) if the student is not maintaining behavior expectations; or (3) in any other case the teacher considers necessary.

The district encourages a student or parent in need of additional information or with questions or concerns to confer with the appropriate teacher, counselor or principal. A parent who wishes to confer with a teacher outside of district conferences may call the office for an appointment before or after school, during the teacher's preparation period or request that the teacher call the parent to arrange a mutually convenient time.

Credit by Examination

A student, who has had sufficient prior formal instruction, as determined by the district and on the basis of a review of the student's educational records, may gain credit for a course by passing an examination designed to measure proficiency or mastery of identified standards (knowledge and skills). A student may not use credit by examination to regain eligibility to participate in extracurricular activities.

Credit for Proficiency

In addition to credit by completing classroom or equivalent working as in a course of at least 130 clock hours, a student may receive credit toward a diploma or a modified diploma based on any one or more of the following options levels in which the student demonstrates proficiency or mastery of recognized standards through:

1. Classroom or equivalent work;
2. Passing an appropriate exam;
3. Providing a collection of work or other assessment evidence and/or;
4. Providing documentation of prior learning experience.

SCHOOL-BASED HEALTH CENTER

Front office staff will receive a roster of students, to be updated monthly, who have written consent to access care at the School-Based Health Center (SBHC). If a student is 15 years or older, student can access care without a consent from their parent.

- If a student has a clinic appointment and/or becomes ill at school, the student will be allowed to access care at SBHC.
- Student will obtain a hall pass from teacher to office.
- Office will check student out with "SBHC pass" with dismissal time to clinic.
- Clinic staff will sign "SBHC pass" arrival time and departure time.
- Student will check back into school at front office with "SBHC pass" and receive a hall pass back to class.

STUDENT SEARCHES

Searches:

District officials may search the student, his/her personal property and property assigned by the district for the student's use, at any time on district property or when the student is under the jurisdiction of the school. Such searches will be conducted only when there is reasonable suspicion based upon specific and articulated facts to believe that the student personally poses or is in possession of some item that poses an immediate risk or serious harm to the student, school officials and/or others at the school.

Searches shall be "reasonable in scope", that is, the measures used are reasonably related to the objectives of the search, the unique features of the official's responsibilities and the area(s) which could contain the item(s) sought and will not be excessively intrusive in light of the age, sex, and maturity of the student and the nature of the infraction. Strip searches are prohibited by the district.

District officials may seize any item which is evidence of violation of law, Board policy, administrative regulation or school rule, or which the possession or use of is prohibited by such law, policy, regulation or rule.

District officials may also search when they have reasonable information that emergency/dangerous circumstances exist.

District-owned storage areas assigned for student use, such as lockers and desks, may be routinely inspected at any time. Students have no expectation of privacy regarding these items/areas. Such inspections may be conducted to ensure maintenance of proper sanitation, to check mechanical conditions and safety and to reclaim overdue library books, tests, or other instructional materials, property or equipment belonging to the district. The student will generally be permitted to be present during the inspection.

Items found which are evidence of a law, policy, regulation or the Student code of Conduct may be seized and turned over to law enforcement or returned to the rightful owner, as appropriate.

Questioning of Students:

Should law enforcement officials find it necessary to question students during the school day or during periods of extracurricular activities, the principal or designee will be present when possible. An effort will be made to notify the parent of the situation.

Parents are advised that when an Oregon Department of Human Services or law enforcement official is questioning a child whom the investigating agent believes may have been a victim of abuse of a child, the investigator may exclude district personnel from the investigation and may prohibit personnel from contacting parents.

SENIOR TRIPS

All fees must be paid in order to attend the senior trip.

To attend the senior trip, all seniors must be in good standing. Any major violation within the last 10 school days, or during the window of time in which senior events occur, may result in the student being denied the opportunity to participate.

Valedictorian – Students must earn an Honors Diploma to be eligible for Valedictorian.

Top 10% - is figured by students accumulating points for every grade earned from 9th grade through the 1st semester of their 12th grade year. A's earn 4 points, B's earn 3 points, C's earn 2 points, and D's earn 1 point. A student will get an extra point for every honors, college and advanced class they pass through the first semester of their senior year. The total of all of these points is then divided by the total number of classes completed.

Students who are unable to satisfy diploma requirements may qualify for an Alternative Certificate according to the policies & procedures of the Crook County School District.
