**Semester 1 & 2**

**Course Description:**

Graphics Design 2

Grade level: 9-12

Length of course: 1 semester

Credit: .5

Graphic Design 2 is designed to acquire a basic knowledge, theories, and concepts about art; develop a foundation of art skills and a high level of artisanship; communicate ideas and concepts through writing, speaking and art making; acquire a competency with the tools and technologies associated with the visual arts. They will apply processes of generating and solving problems in art; analyze, interpret and question traditional methodologies and preconceived notions of art and art making. In addition, students will create their own design blog. This will allow them to share their work with their school, peers, family, and community easily. Blogging is a form of communication that is used by many professionals as way to connect their work to our lives.

**Learning Standards:**

The Oregon Department of Education Standards for the Visual Arts will be the standards for the Visual Arts at CCHS. For further information, please visit their website at:

<http://www.oregon.gov/ode/educator-resources/standards/Pages/default.aspx>

**Materials:**

Ink, Pencil, Charcoal, Acrylic paint

Others (Articles etc.): Various technology outlets will be used during class instruction.

**Notification of the Right to Object to the Use of Materials**

Any resident of the district may raise objection to instructional materials used in the district's educational program despite the fact that the individuals selecting such materials were duly qualified to make the selection and followed the proper procedure and observed the criteria for selecting such material.

The first step in expressing objection is consultation with the classroom teacher or library staff and providing a brief written complaint. The staff member receiving a complaint regarding instructional materials shall try to resolve the issue informally through the discussion of the original assignment or the opportunity for an alternative assignment.

If not satisfied with the initial explanation or an alternative assignment, the person raising the questions will meet with a building administrator who, if unable to resolve the complaint, will provide a Request for Reconsideration form which will be given to the superintendent for action.

**Goals** (SMART-specific, measurable, achievable, relevant, timeline-a reflection of specific critical content mastery):

By the end of the semester 100% of students will meet or exceed subject level learning standards in Graphics Design as measured by a score of 70% or better on all assessments.
