Semester 1 & 2

Course Description:

Photography 2

Grade level: 9-12

Length of course: 1 semester

Credit: .5

This course will cover the use of the Digital DLR camera controls, including f/stops, shutter speeds, film speeds and the production of a correct exposure. Skills will include composition, criticism, lighting, and image editing software. Students will also learn the history and invention of photography. Assignments will include creative use of the camera controls including depth of field and action motion, shadows and light, alternative camera angles, portraits, still life's, and compositions based on the principles and elements of design. Students will receive basic instruction, demonstration, and see samples of the desired outcomes. They will be allowed to go outside and shoot assignments, based on what they are learning. Students will post their photography work and writing on their blogsites.

Learning Standards:

The Oregon Department of Education Standards for the Visual Arts will be the standards for the Visual Arts at CCHS. For further information, please visit their website at:

<http://www.oregon.gov/ode/educator-resources/standards/Pages/default.aspx>

Materials:

District provided computer; student must provide a digital camera or phone with which to take photographs.

Others (Articles etc.): Various technology outlets will be used during class instruction.

Notification of the Right to Object to the Use of Materials

Any resident of the district may raise objection to instructional materials used in the district's educational program despite the fact that the individuals selecting such materials were duly qualified to make the selection and followed the proper procedure and observed the criteria for selecting such material.

The first step in expressing objection is consultation with the classroom teacher or library staff and providing a brief written complaint. The staff member receiving a complaint regarding instructional materials shall try to

resolve the issue informally through the discussion of the original assignment or the opportunity for an alternative assignment.

If not satisfied with the initial explanation or an alternative assignment, the person raising the questions will meet with a building administrator who, if unable to resolve the complaint, will provide a Request for Reconsideration form which will be given to the superintendent for action.

Goals (SMART-specific, measurable, achievable, relevant, timeline-a reflection of specific critical content mastery):

By the end of the semester 100% of students will meet or exceed subject level learning standards in Photography as measured by a score of 70% or better on all assessments.
