Aloha,

My name is Traven, I am with the PB&J Scholarship. Our scholarship fund is focused on helping students whose test scores or GPAs might not be the best or the highest, but they have the drive to succeed.

When I was attending Farrington High School in Hawai'i, my GPA and test scores were low, but I was determined to go to college. Seeing that this problem existed for other students like me, I decided to eat PB&J sandwiches during my first year in college to save money to fund a scholarship for a student like me. Since then, our scholarship funding has grown, and we are now opening our scholarship to your students this year! I kindly ask for your help to let your students know about this opportunity.

If you have any questions, please contact me at (808) 450-9988 or email me at travwatase@gmail.com.

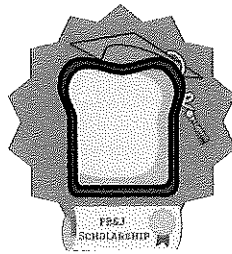

Sincerely,

A handwritten signature in black ink that reads "Traven Watase". The signature is written in a cursive, flowing style.
