

# Career Technical Education

## Health Science

Course Title	Prerequisite	Grade Level	Length of Course	Credits Per Year	Meets Graduation Requirement in:
<b>Health Occupations 1: An Exploration of Health Careers</b>	<b>None</b>	<b>9-10</b>	<b>1 semester</b>	<b>0.5</b>	<b>CTE, EL, HD</b>

Students will experience an introduction to a broad range of health careers through independent hands on learning modules. Modules might include dentistry, clinical laboratory practices, nursing, medical imaging, mental health, therapeutic services, career planning and more.

<b>Health Occupations</b>	<b>Health Occ 1</b>	<b>11-12</b>	<b>1 semester</b>	<b>0.5</b>	<b>CTE, EL, HD</b>
---------------------------	---------------------	--------------	-------------------	------------	--------------------

This course is recommended for all students who might want to prepare for further study in a health care career. The course provides an overview of the health care professions, including employment trends, ethics, current health issues and job search strategies. This course includes clinical rotations at St. Charles of Prineville, the ILS Department and other health care providers. The students will be HIPPA trained and have to take a tuberculosis-screening test. Students need to have a valid driver's license, maintain current car insurance and have access to transportation to and from rotations.

\*HD granted when college credit received

<b>First Responder</b>	<b>None</b>	<b>10-12</b>	<b>1 semester</b>	<b>0.5</b>	<b>CTE, EL, HD</b>
------------------------	-------------	--------------	-------------------	------------	--------------------

This course is designed to instruct a student to the level of First Responder, who serves as a vital link in the chain of the health care team. This curriculum includes skills necessary for the individual to provide emergency medical care with a limited amount of equipment.

<b>Sports Medicine</b>	<b>None</b>	<b>10-12</b>	<b>1 semester</b>	<b>0.5</b>	<b>EL, CTE</b>
------------------------	-------------	--------------	-------------------	------------	----------------

This course will give students the opportunity to explore and learn the basic skills involved in the Sports Medicine field of study.

<b>Medical Terminology</b>	<b>None</b>	<b>11-12</b>	<b>1 semester</b>	<b>0.5</b>	<b>EL, CTE</b>
----------------------------	-------------	--------------	-------------------	------------	----------------

Covers terminology pertaining to medical term construction, body structure, integumentary, hematopoietic/lymph, cardiovascular, oncology, respiratory and musculoskeletal systems. Includes standard abbreviations, anatomic, diagnostic, symptomatic and operative terms related to these body systems
