All Students In-Person

Go Cowboys!

Do you have Incomplete Credits from Spring 2020? Need help with recovering incomplete credits from Spring of 2020? Mrs. Van Roekel is here to help you in room 205 every Tuesday from 3:45 pm to 6:00 pm or by appointment. Let's get those credits up to a pass as soon as possible! **See you TONIGHT!**

School Meals are FREE: Just wanted to remind all of our students that all three meals served here at CCHS are FREE – breakfast, lunch and supper.

Book Fines: Did you know that the fine for an unreturned textbook ranges between \$56 and \$178? Avoid these fines by returning your overdue textbooks to the library **TODAY!**

AP Test Class: Students who are taking an AP test in May or June, would you like dedicated time to study for the test? How about testing strategies to help you succeed? We are looking for students who would be interested in taking an AP test class in quarter 4. If you are interested, please contact the counselors or your AP teacher and let them know!

Seniors: The OSAC Scholarship Application deadlines have changed. The **final deadline** is Monday March 1st, 2021. If you want a quick and easy tool for searching through these scholarships, visit the OSAC Scholarship Catalog on the oregonstudentaid.gov website! This allows you to search more accurately based on your interests to find scholarships even easier!

Seniors: All but five local scholarships have been officially updated on the CCHS Scholarship Page. Many deadlines for applications are already here and more are fast approaching! Make sure you are checking deadlines, requirements and additional documents needed for these applications. Please make sure you read each application carefully! Some common errors are missing signatures, listing your CCHS student email and turning the application in to the incorrect location or getting generic letters of recommendation. Don't forget that each scholarship should include a cover page, this is then bound with a clear portfolio cover unless otherwise noted in the scholarship description. This cover page needs to include your name, contact info and a photo of you. If you have questions or need help getting any of these items see Mrs. Kingsbury in the CCHS Future Center.

AVID Club: AVID Club will be meeting every Thursday after school, 3:45 pm - 4:45 pm, in Mrs. Crofcheck's room - 204! Come by and get extra help with classes, support with college applications, scholarships, and much more!

Math Night: Every Thursday night from 4:00 pm to 6:00 pm come to the library and get help for any math class, you can also get help preparing for the SAT, ACT or an AP test!

Activities & Events
